

BOULEVARDS NEIGHBORHOOD NEWS BOULEVARDS OF TAMARAC CIVIC ASSOCIATION – May 2025

GENERAL MEETING FOR ALL RESIDENTS

**June 9TH, 2025 @ 7:30 P.M. at the
Clubhouse**

Whether you are a new resident or have been living in the Boulevards of Tamarac all your life, you are invited to join our General Meeting on the second Monday in June. We will place reminders around the neighborhood in the morning, but please mark your calendars. Doors open at 7:00pm.

We will be providing updates on upcoming projects for the clubhouse and answer any questions you may have.

HURRICANE SEASON STARTS JUNE 1ST

Prepare for the upcoming season by gathering supplies, securing loose items in your yard, and trimming trees on your property to prevent power outages and flying debris.

Please refer to the information included in Tamarac's Code Red, as well as contacting FPL directly for more information. If you have power lines that run through trees, assistance may be available.

CITY OF TAMARAC CODE RED:

Sign up for CodeRED notifications from the City to receive critical situations and emergency updates. Go to www.Tamarac.org and click the Emergency Services button or Text TamaracCodeRED to 99411

MAINTENANCE PAYMENT REMINDERS:

*Maintenance Fee - \$90.00
Paid to **Boulevards of Tamarac**.*

NO CASH ACCEPTED

- You ***must*** Include Name, Address **and** Account Number on your payment.
- Payment is due on the first of the month.
- After the 10th of the month, late fee applies.

Bathroom Remodel Project

We are still awaiting the permits from the City of Tamarac to start the bathroom remodel project.

There were certain components of the application that were rejected by the City, and the contractor is

working on corrections.

Unfortunately, this will represent a delay when the project starts but we are hoping to have something more concrete to announce at the General Meeting in June.

starting June 3rd at
Caporella Park.

FORT LAUDERDALE EXECUTIVE AIRPORT EXPANSION

You may be aware that FXE airport is seeking to expand its runway by 1000 feet to accommodate higher demand

and potentially larger airplanes through 2037.

At a meeting between neighbors and airport officials in early April, people complained about noise levels and air pollution which could increase significantly with this added traffic. Airport officials stated that noise studies have not been conducted since 2015, as there haven't been enough complaints to trigger one.

Plans for the runway expansion are waiting for an environmental assessment to pass. If that happens, construction could start as soon as next year.

If you have concerns about current noise levels and pollution caused by the growing traffic at FXE airport, you may file a complaint at below website.
